

HOW I PREP MY

WEED

AND SMOKE IT, TOO.

This is how I like to prep my Weed.

I start by breaking the bud apart.

And then I put it into my grinder.

And then I start rolling.

NATURAL UNREFINED ROLLING PAPERS

RAW CLASSIC

Rolling paper was originally invented in Alcoy, Spain. They were large folded sheets tied with a string. The string on the RAW logo represents our deep connection to 400 years, and 20 generations, of rolling passion.
